WELCOME TO *MARGARET RIVER GOLF CLUB*

Want to combine some golf with a trip to the wine country? Margaret River Golf Club would be the highlight of any golf tour to the South West.

There aren't many golf courses in the region that will rival Margaret River for scenic beauty and sheer golfing challenge. Kangaroos and an abundance of other native flora and fauna can be enjoyed as you play your round.

Margaret River Golf Club is a private club which warmly welcomes both visitors and new members.

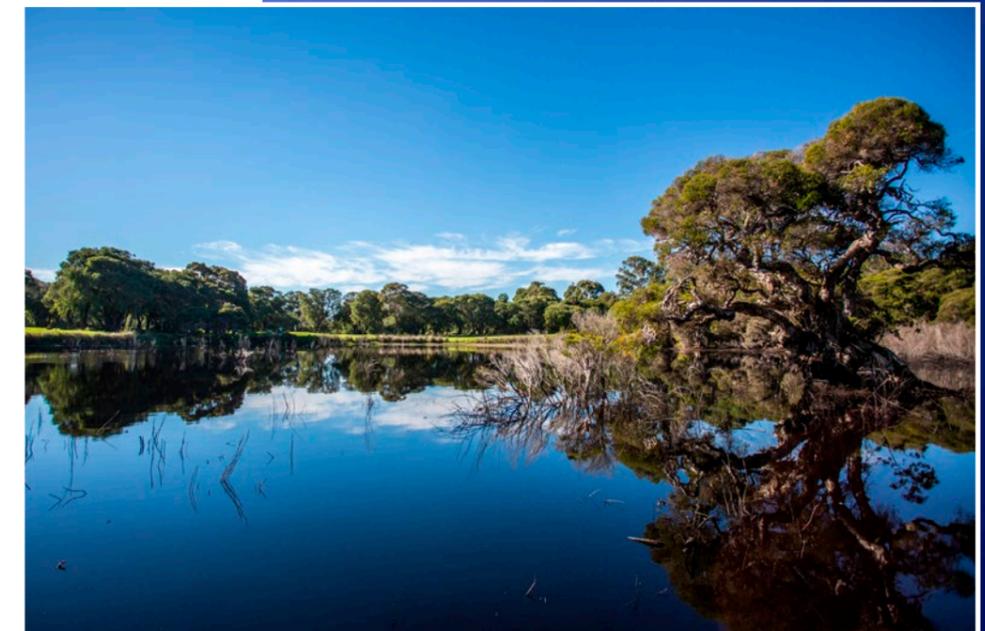

Our popular club, which dates back to 1952, is located in a delightful bushland setting near the mouth of the Margaret River and the iconic Surfers' Point.

Our wonderful 18-hole layout is considered among the best country courses in Western Australia and we were proud to receive the prestigious 'Best Regional Golf Course 2016' award at the WA Golf Industry Awards.

Club Manager Renee Potter can be contacted directly on (08) 9757 2197 or email admin@margaretrivergolfclub.com.au to help you with all your Club House booking requirements. Golf Shop proprietors and Course Co-ordinators Jon and Mandy Farrell are also on hand to advise on the best golf equipment for your game, they can arrange corporate days, hire of equipment, booking of tee times, golf lessons, all golf accessories.

Off the course, the clubhouse offers a home away from home to our friendly membership. Come and enjoy the stunning views over the course from the verandah and imagine what a wonderful venue this could be for your celebration, party or function.

If you are looking to play good golf in good company, or for somewhere to have a corporate golf day, celebrate a special occasion or just have a great day with your friends, then you need look no further. A warm welcome is assured.

We understand that legal issues can be confusing. That's why we take pride in our history of helping people in regional WA.

We live in our local communities and we understand the local way of life. When you speak to any of our staff, you will be listened to and will receive a high quality, professional service – with a country flavour.

THE COURSE

Margaret River Golf Club boasts a beautiful 18-hole course that all categories and standards of golfer will enjoy playing, the great design and multiple teeing positions provide the opportunity for players of all abilities to truly test their game.

In pristine condition all year round the par-72 layout measures 6,092 metres from the blue (back) markers and provides an equally thrilling 5,216-metre test for women from the red tees.

Although not heavily bunkered, the course features numerous water hazards, mostly on the front nine holes. Considerable course improvement work during 2017 has provided some interesting challenges for all players as well as increasing the scenic attractiveness of the golf course.

The back nine requires careful shot consideration to negotiate the undulating

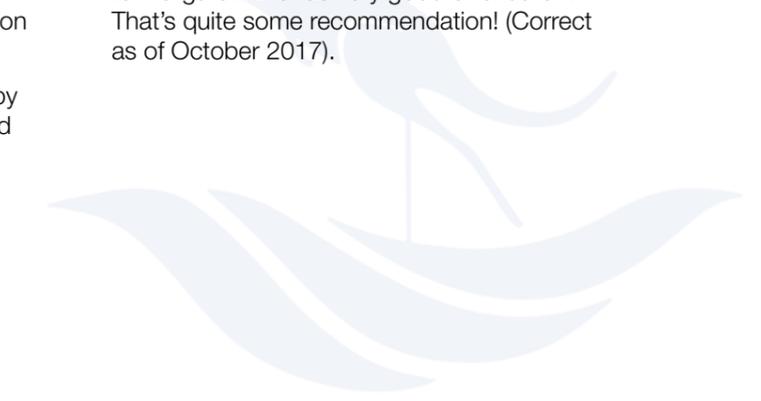

fairways and large trees which line many of the fairways. Winding around the 'Tea Lake' this part of the course provides its own share of water as well as giving photographic opportunities to those golfers who want to remember the wildlife that abounds there.

The back nine winds its way up the Leeuwin Ridge, though the walk is well worth it, as golfers are rewarded with some delightful panoramic views from the tee as they take on the exhilarating challenge of the final hole.

This spectacular setting is complemented by an abundance of flora and fauna, native and

local trees. The resident kangaroos have been a major attraction for visitors, golfers and non-golfers alike for many years.

The course is one of Western Australia's most highly regarded country courses. Don't just take our word for it though, check out what our visitors say. No fewer than 47 of 50 reviews left on Tripadvisor rated their visit to Margaret River as very good or excellent. That's quite some recommendation! (Correct as of October 2017).

VISITORS AND STAY & PLAY

A pleasant three-hour drive south of Perth, Western Australia's premier holiday region offers a unique range of pristine natural attractions, premium wineries and craft breweries, fine restaurants, handmade arts and crafts, unspoiled beaches, towering karri forests and friendly locals. Blessed with a mild Mediterranean maritime climate, the four seasons are gently defined in this relaxed and soulful corner of the country.

It's the perfect place to spend some time recharging the batteries, enjoying the relaxed way of life in this part of the world while also ensuring there's enough time set aside to make the most of the opportunity to enjoy one of the region's best-loved courses!

Margaret River is the name of a river, a town and a region. The Margaret River flows to the ocean at Prevelly while the Blackwood River flows to Augusta in the south. The region has an extensive coastline with 110 kilometres of beaches, bays and rocky points.

The region comprises rural countryside, sandy beaches, native forests and national parks. From the tranquil waters of Geographe Bay in the north, to the ancient cave-carved Leeuwin-Naturaliste Ridge, through the picturesque vineyards and karri forest, to the rugged beauty of Cape Leeuwin in the south, this is a place of stunning natural contrasts. It's this diversity which has put the Margaret River region on the map.

The region has four award-winning visitor centres at Busselton, Dunsborough, Margaret River and Augusta, where local experts are on hand seven days a week to offer complimentary maps, comprehensive information and group booking services.

Trust the team at the Margaret River Visitors Centre to help you find the best surf breaks, camp sites, top restaurants, award-winning wineries, fishing spots, majestic walking trails and more. For more information, and to plan and book your visit, go to www.margaretriver.com.

If you're looking to play several rounds here during your stay, speak to Jon or Mandy in the Golf Shop first about group bookings and special deal discounts. You might also want to coincide your trip with one of our major visitor events.

October, for instance, sees the arrival of more than 220 Lady Golfers for the annual Retravision Ladies' Classic sponsored by many local business and the Augusta Margaret River Shire. The event is in its 22nd year and attracts a large field of golfers from all over WA with some international visitors.

It's not only a great course that draws visitors to Margaret River Golf Club, the social scene also has much to recommend it. We're always willing to embrace new ideas: our Clubhouse Cabaret featuring the Margaret River Concert Band proved to be a huge success and looks like being a welcome addition to the annual club social calendar.

Visitors are most welcome at any time of year, but bookings for golf are essential to avoid disappointment. For a single visit rather than a package deal, the easiest way to book is online.

To be able to make an online booking via our website you must first go to the 'Book Golf' icon and then select the 'Register' option. Once registered you will be sent a username and password which will enable you to login, view tee times and make a booking.

Clubs, buggies and carts are available for hire at the on-course Golf Shop which also stocks a wide range of equipment and essentials.

For direct golf bookings and information, contact Jon or Mandy Farrell in the Golf Shop by phone: (08) 9757 3161 or email: golfshop@westnet.com.au
